

## EXEMPTION BOARD

### NEW REGULATIONS HAVE ARRIVED AND RE-EXAMINATIONS WILL BE MADE

The new medical regulations have arrived and the local board of examining physicians will be let in for a lot more examinations i.e. men already examined will be recalled and re-examined under the new rulings. In the words of one of the physicians, these new regulations "let the bars way down." Under them men who have physical defects which can be remedied by treatment or operations and who are fit otherwise, will be accepted and the government will undertake to have the defects remedied by providing for the necessary treatments or operations. This will have the effect of greatly increasing the number of men under the registration who will be subject to call.

Chairman Lanterman is in Los Angeles today in conference with the Appeal Board, but the routine work of the local Board, under Mrs. Jackson, is going forward as usual.

The Board is sending forward today under special induction, another man who, though subject to draft, is eager to go and does not want to wait until he is called. This is Clyde Brown Barnes of Burbank, who goes this afternoon to Fort McDowell, Angel's Island, California, to join the infantry.

### FLOOD CONTROL NEWS BULLETIN

LOS ANGELES, Feb. 12.—Owing to the long delay of the State Supreme Court in deciding the flood control bond question, no tax levy could be made last September to meet the interest and principal payments on the bonds. The first levy for this purpose will be made next September and tax collections will not come in until November. For this reason the bonds will be dated June 15, and can not be sold till midsummer.

Some doubt is now felt as to whether five percent bonds can now be sold at par. The law prohibits selling them at a discount. The bonds cannot be sold at all without the consent of the capital issues committee of the federal reserve board. Ex-Senator Frank P. Flint has gone to Washington to represent the Board of Supervisors in pressing a request for consent to market the flood control bond issue. Ex-Mayor C. H. Windham of Long Beach has also been at the National capital on a similar errand.

The county counsel, flood control engineer and board of supervisors are now "pulling together" unanimously to push this great enterprise to actual work. It is estimated that it will take five years to complete the undertaking.

### SPRUCED UP

Things are very much spruced up at the city building, corner of Brand and Tropic avenues. Ed Fairfield and Louis Lambermont, city firemen stationed there, have painted the walls and ceiling of the fire house in a very attractive yellow cream tint, and they look exceedingly nice. It was not an easy task, especially on the brick walls, but they accomplished it and the result is highly creditable. They have also painted the walls of their quarters up-stairs, the two bedrooms and the sitting room of the fire department, and everything is as fresh as a daisy. The boys have been provided with three "turn-out" suits so they will lose no time in getting ready should a night fire call come.

The siren was used last week when the alarm of fire in the Tropic Hotel was turned in and it proved highly effective in bringing out the fire laddies and citizens as well. Carpenters are at work remodeling the front portion of the building down stairs for library use and at the rate they are pushing the work it will soon be ready. While the process is going on the use of the library will be interfered with to a considerable extent, but it will not be for long and library patrons are so well pleased over the good things in prospect that they are willing to put up with temporary inconvenience.

Mr. and Mrs. Chalfant and family of 1500 West Seventh street are leaving Wednesday for Portland, Oregon, where they expect to make their permanent home. Mr. Chalfant is in the employ of the Pacific State Electric Company and has been promoted to a better position in the city named. He is quite naturally pleased to leave Glendale of which he has been a resident for six years. The Chalfants have made many friends here who are very sorry to lose them.

## CHAIRMEN CONFER

### HEADS OF COMMITTEES OF LOCAL RED CROSS CHAPTER MEET

A specially called meeting of the chairmen of committees of the Glendale Chapter of the American Red Cross was held at the home of Chairman J. H. Braly, 205 North Brand boulevard Monday evening. Those present were J. H. Braly, chairman; Mrs. Braly, A. L. Lawshe, vice-chairman and business manager; Mrs. Mabel Franklin Ocker, secretary; Mrs. E. R. Blackburn, cashier; Mrs. H. E. Bartlett, purchasing agent; Dr. H. R. Harrower, chairman entertainment committee; A. T. Cowan, chairman publicity; Dr. R. E. Chase, instructor First Aid; Mrs. Thaxter, chairman nursing; Mrs. John Robert White, chairman refreshment committee; Miss Mabel Douglas, Red Cross shop; Mrs. H. E. Betz, chairman of Ambulance Pillows; Supt. R. D. White, chairman Junior Red Cross; Mrs. A. S. Chase, chairman packing and shipping; Mrs. Lawrence Ellis, chairman hospital garments; Mrs. George D. Carter, chairman knitting; Mrs. E. M. Tuft, chairman surgical dressings; Dr. A. L. Bryant, Mrs. A. C. Brown and W. E. Evans, Soldiers' Dependents Relief.

The minutes of the two preceding meetings were read by the secretary, Mrs. Ocker, after which Vice Chairman and Business Manager A. L. Lawshe gave a very extended and comprehensive report of the financial and working condition of the chapter. This report may be found elsewhere in this issue of the News.

Dr. H. R. Harrower who has been very active as chairman of the entertainment committee reported that hereafter his efforts will be directed toward furnishing entertainments for the upbuilding of the chapter without having in view any money consideration to be derived from the entertainments. His opinion is that many people have pledged to pay in a systematic way toward the support of the Red Cross and other war propositions and it is unfair to expect them to pay admissions to Red Cross entertainments. He reported that hereafter Red Cross headquarters will keep open house on Thursday evening of each week at which time suitable programs will be given.

Mrs. George D. Carter who has worked so faithfully as chairman of the knitting committee tendered her resignation to take effect at the close of this week, it being her intention to remove from Glendale. Mrs. Carter submitted the following report: A new organization has joined the knitting department, "The Dorcas Society" of the Adventist church. There are four others. The "East Side Unit, No. 1," "The Pothill Club," "The Auxiliary of the Tuesday Afternoon Club" and "The Catholic Ladies," all of them doing splendid work.

There has been turned in on sale of needles \$113.22  
On hand 7.70

Total \$120.92  
Number of knitted articles completed ready for shipment:  
Socks, 98 pairs,  
Sweaters, 150,  
Mufflers, 35,  
Wristlets, 28 pairs,  
Helmets, 55,  
Making a total of:  
Socks, 541 pairs,  
Sweaters, 638,  
Mufflers, 578,  
Wristlets, 433 pairs,  
Helmets, 72.  
Mrs. Lawrence Ellis, chairman of hospital garments committee, gave a very satisfactory report which follows:

Garments manufactured since December 7th, 1917, as follows:  
Hospital bed shirts, 85,  
Shoulder wraps, 23,  
Pajamas, 98,  
Surgeons' aprons, 27,  
Bath robes, 60,  
Operating leggings, 2,  
Bed socks, 11,  
Operating caps, 43,  
Operating masks, 55.  
Hospital linen made up since December 7th included the following: Napkins, 6 dozen; handkerchiefs 5 dozen; sheets, four; pillow cases, four.  
During the month of December the number of workers decreased but since the first of the year there has been a marked increase. The rooms are open three days per week, Mondays and Thursdays for regular workers and on Wednesdays a different group of women take possession as follows: The first Wednesday in the month ladies from the Glendale Baptist Church, the second Wednesday the Congregationalist Ladies' Aid, third Wednesday members of Chapter L. P. E. O., and the fourth Wednesday the Dorcas Society. (Continued on Page 4)

## KAISER IS ILL

### TRANSFERS HIS PERSONAL HEADQUARTERS TO SPA WHERE HE WILL "TAKE A SHORT CURE"

(Special Service to Glendale Evening News)  
AMSTERDAM, February 12.—Kaiser Wilhelm's health is in such a condition that it is necessary for him to transfer his personal headquarters to Spa, where he will "take a short cure," German newspapers received here published today.

## COLONEL PASSED COMFORTABLE NIGHT

### REPORT OF ROOSEVELT'S CONDITION AFTER ANNOUNCEMENT OF SET-BACK YESTERDAY IS REASSURING

(Special Service to Glendale Evening News)  
NEW YORK, February 12.—Colonel Roosevelt passed a "fairly comfortable night," was the report given out today from the Roosevelt hospital. Late last night the announcement that he had not improved and had suffered a set-back caused considerable alarm.

## CRISIS OF WAR REACHED

### KING GEORGE ASKS FOR UNITED ENERGIES AND RESOURCES IN OPENING PARLIAMENT TODAY

(Special Service to Glendale Evening News)  
LONDON, February 12.—"The struggle in which we are engaged has reached a critical stage and is demanding more than ever that we unite our energies and resources," King George declared in opening parliament today.

"The aims for which my allies and I are contending were recently set forth by my government in a statement that has received the emphatic approval of my people throughout the empire and provides a basis for the settlement of the struggle," he continued.

## FIGHT ON RAILROAD CONTROL BILL

### FAIR DISTRIBUTION OF WAR BURDENS IS AT BOTTOM OF MEASURE NOW CAUSING DEBATE IN CONGRESS

(Special Service to Glendale Evening News)  
WASHINGTON, February 12.—The Railroad Control bill is again plunging Congress into a bitter fight over the fair distribution of war burdens. It is the same men who last year fought for conservation of wealth against those who opposed that measure and the issue today is whether the railroads shall bear their fair share of war burdens or whether the people shall pay the railroads practically what they demand under government control. The specific battle is over the basis on which the railroads shall be paid. Senator Cummins insists that the roads shall be paid ordinary dividends and interest on their debt. This system would cost the government \$750,000,000 a year. The opposition insists that the sum to be paid by the government shall be computed on a three-year pre-war basis. This would cost \$945,000,000.

## TO SPEED UP WAR LEGISLATION

### PRESIDENT TO INAUGURATE SERIES OF CONFERENCES TO READJUST SYSTEM OF PASSING WAR MEASURES

(Special Service to Glendale Evening News)  
WASHINGTON, February 12.—To readjust the entire system of war legislation President Wilson will tomorrow inaugurate a series of conferences with Democratic and Republican leaders. He will not discriminate along party lines but will seek the counsel of those in both parties. The purposes of these conferences is to speed up Congressional war legislation.

## LA FOLLETTE SUES CLUB

### MADISON CLUB WHICH OUSTED WISCONSIN SENATOR FROM MEMBERSHIP MADE DEFENDANT IN LIBEL SUIT

(Special Service to Glendale Evening News)  
MADISON, Wis., February 12.—Senator Robert M. LaFollette today commenced a suit for libel against the Madison club which ousted him from membership.

## FLOODS MENACE OHIO CITY

### HUNDREDS FORCED TO FLEE FROM THEIR HOMES AS SWOLLEN OHIO RIVER RISES SUDDENLY

(Special Service to Glendale Evening News)  
CINCINNATI, February 12.—Hundreds of families here have been forced to flee from their homes because of the sudden rise of the swollen Ohio river. Dozens of homes in the river district were flooded. Car service in some parts of the city is badly crippled. Public relief stations have been opened to shelter the homeless families, many of whom have been forced to lodge in school houses and public buildings. One man was drowned. Indications are that the flood will not recede within the next 24 hours.

## LAWSHE'S REPORT

### BUSINESS MANAGER LAWSHE OF GLENDALE CHAPTER A. R. C. SUBMITS REPORT

Under the By-laws adopted January 2d "the Vice Chairman is the Executive Officer of the Chapter" and is required "to keep the books of the Chapter in the manner prescribed by the National Society" and "to conduct all business correspondence."

On the same date the By-laws were adopted they were pleased to elect me to the position of Vice-Chairman, and I now submit a report of the operations of the Chapter for the first month under the new system.

During the first week of January, due to the persistent efforts of your Chairman, Mr. J. H. Braly, new quarters were secured "for the period of the war" without charge from Mr. Joseph Engert, of Los Angeles, whose patriotic attitude should be suitably recognized by the Chapter.

The new quarters were at once cleaned, the walls kalsomined, floors oiled, windows washed and removal effected during the first week.

Partitions were constructed, tables made and other equipment provided for all departments during the succeeding week, and the Chapter now has ideal quarters fully equipped.

The business of the Chapter has been systematized and brought into harmony with the requirements of the National Organization.

The letters have been collected and appropriately filed for ready reference.

The same has been done with respect to the Circulars and Instructions of the Pacific Division.

The system of double entry book-keeping, prescribed by the National Society, has been fully installed, and the accounts of the Chapter have been restated therein from July 28th, 1917, the date of the organization of the Chapter by separation from the Los Angeles Chapter, to the present time. The work was greatly facilitated by the purchase of an adding machine for \$175.00 on the twelve-month payment plan.

The subscription pledges to the Chapter for the ten months beginning November 1st, 1917, have been entered in card ledger form.

Only the Cashier or a duly appointed collector is authorized to receive and receipt for money under the present By-laws and that system has been rigidly adhered to.

A form of receipt has been devised which is at once a receipt for money and a "Certificate of Membership" to the given date. These certificates are consecutively numbered. Receipts from all other sources will be given on another form.

The Cashier makes a daily report to the Vice-Chairman of cash received, on a form specially printed for the purpose. These reports receive a daily audit and are the basis of all revenue entries in the prescribed records.

A special form of Order or Warrant Check was furnished by the Treasurer, Mr. F. H. Vesper. All funds collected are deposited to the Credit of the Chapter in the Bank of Glendale, the Bank informally designated by the Treasurer as depository.

All purchases in local markets are now made by the Purchasing Agent, pursuant to a requisition on a printed form made by the Chairman of the activity concerned, after the approval of the requisition as to availability of funds. The Vice-Chairman places the responsibility for purchases of material on the Committee Chairmen.

Orders for supplies on the Bureau of Supply of the Pacific Division must (Continued on Page 4)

### MOTOR TO SANTA BARBARA

Mr. and Mrs. C. F. Parker drove by auto to Santa Barbara last week and took as guests Miss Dorothy Dow and Mrs. R. W. Meeker, the Parkers being guests of their daughter Mrs. E. H. Lyman. They attended most of the sessions of the Club Convention, visited El Mirasol, a very beautiful tea garden, saw the Lecouvre Golf Club and many other points of interest. So many Glendale ladies were in Santa Barbara that they felt quite at home seeing so many familiar faces. The Parkers returned Saturday but their guest Mrs. Meeker remained in Santa Barbara to visit with friends.

### CABLE RATES FOR SOLDIER BOYS.

We are advised by Mr. Downing, local manager, that the Western Union has a special week-end cable rate for American soldiers and sailors in France and England. The rate from Glendale is nine cents per word.

## JUNIOR RED CROSS

### GLENDALE SCHOOLS APPLYING FOR CHAPTERS AS RED CROSS AUXILIARIES

The Junior Red Cross Membership Drive begins today and lasts until the 22d. By that date it is expected that every boy and girl in the Glendale schools will be a member. Some of these memberships will be earned by service. There are a variety of things which a child can do under the schedule of service which will give him or her a credit which will entitle the doer to a membership.

A number of the schools which have accumulated their requisite quota of funds have applied for membership. The High School was the first to enroll, Central Avenue was second, Colorado Boulevard third, and Broadway fourth. Each of these schools has been doing so much in an unorganized way that it will not be difficult for them to adjust the harness and take up the work under the new conditions. For instance, one hundred or more school children have been meeting at Red Cross headquarters on Brand every Wednesday to knit. They have passed the apprenticeship stage and are doing very good work in the manufacture of blocks for the comfort blankets. A definite course of work will be laid out for each grade.

During the membership drive reports will be made daily to Superintendent R. D. White and he in turn, as Chairman of the Chapter School Committee will forward them to divisional headquarters in San Francisco. Membership means that each child has paid 25 cents or has rendered 25 cents' worth of service as set forth in the schedule of credits.

### SHOW YOUR PATRIOTISM

A beautiful program has been arranged for the patriotic concert which will be given under the auspices of the Glendale Red Cross Chapter at the High School this evening. It will be a patriotic revival service which will stimulate love for our country and fan the flames of patriotism in every breast. It is fitting that we should pause in our work for the soldiers who are fighting for world democracy and freedom to pay a tribute to the great emancipator, Abraham Lincoln, the man who in a peculiar way typifies American ideals and who gave himself to the establishment of the principle of human freedom.

The committee for these reasons is anxious that Glendale should take advantage of this opportunity for a demonstration of patriotic sentiment and hopes it will more than fill the hall. Soldiers, sailors, veterans and children will be admitted free.

### BIRTHDAY SURPRISE

Some of the friends of Miss Helen Esterly of 800 Adams street, planned and carried to a successful culmination a very delightful surprise last Friday evening, the occasion being Miss Esterly's birthday. The guests met with Miss Beckman, 447 Belmont street, and went together to the home of the birthday girl. She had been called to a neighbor's and when she returned and found her guests she was truly surprised but soon recovered her composure and entertained them royally. Games and music passed the evening happily for Miss Esterly and her guests, the Misses Margaret Lusby, Marion Addison, Cynthia Mott, Hattie Beckman, Freda Lindley and Messrs. Wilbur Lee, Paul Richardson, Osborn Meighan, Everett Bartlett, Ward Kuhns, Fritz and Alfred Bowman, all of Glendale and Julius Elchhorn, a talented young violinist from Los Angeles.

### GLENDALE CHAMBER OF COMMERCE

There will be a specially called meeting of the members of the Glendale Chamber of Commerce this Tuesday evening at 1010 West Broadway for the purpose of electing officers for the ensuing year. Be present at this meeting and see to it that capable men are elected to the offices. It is quite generally understood that but few of the present officers will be candidates for re-election.

### DEATH OF CHARLES H. WAGNER

On Monday morning, February 11, Charles H. Wagner died at his home, 410 North Central avenue, at the age of 58 years, leaving a bereaved widow, Ella Wagner. The deceased was a native of New York State and came to Glendale in failing health about two years ago. Funeral services will be held Wednesday morning at 10 o'clock at the Holy Family Catholic church and interment will be made in Forest Lawn Memorial Park, Scovern, Letton & Frey having charge.

## THE LOSS IN TONNAGE

The unrestricted submarine campaign now being waged by Germany against all shipping, belligerent and neutral, has two very distinct and different objects: one military, the other sordidly commercial. The first is to prevent the shipment across the Atlantic of troops, supplies and munitions. The second object is so alarming in its nature that only the most positive evidence justifies belief in its existence. It is cynically admitted, although not loudly proclaimed, that Germany means, as far as possible, to destroy as many as possible of the vessels afloat so that at the end of the war she alone among the nations will possess a numerous mercantile marine with which she could easily secure a practical monopoly of the world's sea-borne commerce. To this end she is building merchantmen as fast as her war needs permit.

The tremendous loss in shipping in the past three years lends every encouragement to the authors of the plan and in consequence of this program, it is imperatively necessary to create in all the countries at war with Germany a public opinion and demand which shall impel the negotiators of peace to see to it that Germany shall replace, ship for ship, or ton for ton, or pay the cost of replacement, every merchant vessel unlawfully sunk during the war.

Another reason for this condition in the terms of peace is to prevent this new weapon from becoming a precedent in future wars. This reason by itself will abundantly warrant a procedure which, otherwise, might appear to savor of revenge and unnecessary harshness.

## VITAL

Failure to save food means direct and immediate loss of life.

This is the unequivocal declaration made by Herbert C. Hoover in a telegram to his food commissioner for California.

Whether emanating from thoughtless minds or bred by seditious purpose, reports have been set afloat upon the sea of public gossip to the effect that systematic food saving, such as has been urged upon our people, entails an unnecessary sacrifice.

There are men engaged in the manufacture, distribution and sale of food products whose greed is stirred to anger by the mere suggestion of governmental interference in restraint of some of their activities.

"Business as usual" is their motto, whatever befalls this nation or its allies. Meatless and wheatless days are sneered at as sentimental observances, decreed by autocratic power and utterly profitless and unnecessary.

Therefore Mr. Hoover declares:

"In the critical situation of the world's food supply today, opposition to the government's conservation measures is an action comparable to opposition to the selective law, because failure in saving food means direct and immediate loss of life."

See to it that neither you nor any in your household commit that great offense.

## HOLD YOUR LIBERTY BONDS

Secretary of the Treasury McAdoo urges the purchasers of Liberty Loan Bonds of both the First and Second issues to hold fast to their bonds. They are the best investment in the world.

The Secretary's statement was called forth by the fact that Liberty Bond holders are being approached from time to time by agents seeking to induce them to part with their Liberty Loan Bonds and take in exchange securities which in a number of cases are of a very questionable value, and was prompted by the desire to protect the bondholders against ill-advised disposition of their bonds.

The Secretary expresses the hope that every purchaser of a Liberty Bond will realize that the only genuine help that he gives his Government is keeping his bond as an investment so long as it is possible for him to do so. He states, however, that no just objection lies to the sale of a Liberty Bond where real necessity exists for its sale.

## WINTER AS AN ALLY

While the eyes of the world are turned toward the west front in Europe and all ears are waiting for news of the expected German drive in one tremendous effort to break the allied line and capture Paris, there are developments in another theater of the war that might be even more effective in bringing the conflict to an end.

Re-enforced by large contingents of French and British troops, the Italians are moving on what is nothing less than an effort to annihilate and destroy the entire German and Austrian army now on Italian soil. How large this force may be only the Teuton military authorities know, but it is likely to number many divisions, all the way from half a million to one million men. It is known that some German divisions were taken back before winter completely blocked the passes, and were hurried to the western front, to strengthen that expected drive.

But whatever the size of the force there, it is now facing superior numbers and equipment in front, while behind it are the passes through the Alps under midwinter conditions, practically sealed by the winter storms and closed alike to retreat for the armies or the bringing in of supplies. With more than a month of winter yet to face, these Austrian and German troops are confronted by alternatives which seem to lead to defeat and destruction, either way they move. And the capture or annihilation of this army, which two months ago was threatening Venice, would so definitely turn the scales against the central powers that it would pave the way to defeat everywhere. The morale of their forces could not stand up under it.

This may explain the sudden and unexpected move made by Austria, in practically taking a step toward peace with the United States. For both in troops and in territory, Austria would suffer most by the destruction of this Austrian army, which moved south last fall

to accomplish the same ruin in Italy that another German army did accomplish in Russia.

The plans failed, the Italians held the invading forces until winter began to co-operate, and the situation on the foothills north of Venice is pregnant with possibilities that may end the war, either in a great allied victory or in peace by negotiation, such as Austria has already made a strong bid for.

## THE COLORED AMERICAN CITIZENS

Americans of every section, of every class, and of every race have answered the call of their country.

"Twelve million colored people have rallied to the defense of their country in this crisis, and will do their full share in helping to win this world war for democracy," Dr. Robert R. Moton, principal of Tuskegee Institute, successor to Booker T. Washington in that office, said recently in an address at the Twenty-seventh Tuskegee Conference.

The colored American citizens will do their part in producing foodstuff on the farm, in conserving food in the home, and in fighting in the trenches in Europe, said Dr. Moton, and in addition the colored ministry and the colored teachers will preach and teach thrift among their race.

It has been impossible to obtain figures on the amount of Liberty Loan bonds purchased by colored Americans in the first and second loans, but it is known that according to their means and ability the colored race were very loyal and active and most liberal subscribers to the loans.

Millions of tons of metal have been used on the western battle front and many people have supposed that the territory covered by the armies would be a veritable mine for the junk man after the war. In this, however, they are mistaken because both armies employ a large force of men whose duty it is to gather up every scrap of metal and send it back to the metal works to be used over again.—Exchange.

## DAYLIGHT SAVING

Daylight saving may soon become law in the United States. The bill has been pigeonholed somewhere in Washington, it is true, but its supporters confidently believe that it will be unearthed in time to put the clocks of the nation forward one hour from the last Sunday in April and keep them there till the last Sunday in September. One of the points urged in its favor is that daylight saving saved hundreds of thousands of tons of coal in the city of London alone.

# CONSERVE

—The Fuel Administrator is asking us to conserve our coal. To that end we suggest that our customers burn some wood with the coal.

—Try some of our olive wood. It burns freely, lasts well and will give satisfaction.

## LOST

LOST—A pair of eye glasses with case, Saturday on Glendale Pacific Electric car. Please leave at News office. 137t1\*

LOST—Sunday, lady's watch on Gardena ave., or Brand blvd. Finder call Home 2091. Reward. 137t1\*

Frequent reports come from Holland of the death of stall-fed animals attributed to spoiled or otherwise unwholesome food. In many cases the animals had been given acorns, chestnuts, and beechnuts, shelled and unshelled. It is said horses have died within 24 hours after having eaten raw and unshelled beechnuts in considerable quantities.

If you want to succeed, save. Buy War-Savings and Thrift Stamps.

**Personals**

You are asked by those interested  
 in the Pinchon lecture to be present  
 at the High School Auditorium Sat-  
 urday evening.

The Y. P. U. of the Glendale Bap-  
 tist Church are to have a banquet  
 next Friday evening at the church  
 at 6:45 o'clock.

Dr. J. C. Morse and Mrs. Charles  
 A. Barker of 115 South Glendale  
 avenue, have been entertaining Mr.  
 Ricker, an old friend from Chicago.

Mr. and Mrs. Joseph P. Riley, 720  
 South Belmont street, are rejoicing  
 in the arrival of a little daughter,  
 Joyce Elizabeth, born February 8th.  
 Mother and child are doing well.

Blake Franklin motored Saturday  
 to Santa Barbara where Mrs. Frank-  
 lin had been attending the Federa-  
 tion Meeting of Women's Clubs.  
 They came home together Sunday.

Don Hamilton, son of Mrs. Clara  
 Hamilton of 527 E. Acacia avenue,  
 who enlisted some time ago, is now  
 at Charlotte, North Carolina, and  
 has been transferred to Ammunition  
 Train, Fourth Division.

The Thimble Club of the Woman's  
 Relief Corps, N. P. Banks Post, will  
 be entertained next Wednesday by  
 Mrs. Tiny Hammond of Cypress ave-  
 nue, assisted by Mrs. Robert Sanders  
 and Mrs. Atkinson. All members are  
 urged to come and bring their  
 friends.

Mr. and Mrs. J. L. Woolley motored  
 up from San Diego the latter part  
 of the week and stopped to visit Mr.  
 and Mrs. Wesley Bullis. They were  
 en route to Los Vegas, Nevada,  
 where they expect to be located for  
 some time. Mrs. Woolley is a sister  
 of Mr. Bullis.

Do not fail to hear the Colored  
 Brethren in their performance this  
 evening at the February Festival at  
 the First Methodist Church of Glende-  
 ale. Plenty of eats, entertainment  
 and pleasure for all. Wienie sand-  
 wiches, pie and coffee will be served,  
 beginning at 6:30 o'clock. General  
 admission 5c.

The friends of Mrs. J. N. Marsh of  
 211 Cedar street will sympathize  
 with her in a great affliction. She has  
 just received a telegram stating that  
 her father, Rev. N. A. Rankin of Lin-  
 coln, Kansas, passed from his earthly  
 life this (Tuesday) morning. Owing  
 to indisposition, Mrs. Marsh cannot  
 go to attend the funeral.

Mr. and Mrs. Henry Webb have a  
 little son born Saturday evening at  
 Thornycroft Hospital, who has been  
 named Henry Wallace Webb Jr. Mr.  
 Webb is Sergeant in the Aviation  
 School at Berkeley and Mrs. Webb  
 has been staying with her parents,  
 Mr. and Mrs. E. W. Henry of 614  
 Brand boulevard.

Mr. and Mrs. George D. Carter  
 returned last week from their trip  
 to their San Joaquin Valley ranch of  
 160 acres 25 miles north of Bakers-  
 field. Mr. Carter will soon return to  
 it to superintend the planting of  
 crops, chiefly corn, and Mrs. Carter  
 will follow him in the near future.  
 They will live in McFarland, which  
 is about a mile from their land and  
 will build a dwelling on their ranch  
 later.

Mr. and Mrs. E. W. Towle, who  
 spend their winters in Southern Cal-  
 ifornia and their summers in Maine,  
 and who are residents of Glendale,  
 have been entertaining old friends  
 from Maine in the persons of Mr. and  
 Mrs. Mains, now at Long Beach, and  
 Mr. and Mrs. Eames who are living  
 in Englewood. Mr. Eames says if he  
 ever went back to Maine to live per-  
 manently, it would be because he got  
 caught there and couldn't get away.  
 He has been crossing the continent  
 between his two homes annually for  
 the past five years. Mrs. Towle is a  
 devoted Red Cross worker and is the  
 instructor in the Surgical Dressings  
 Department on Tuesdays.

**SOLDIER BOYS**

Garland Stone, who is at Camp  
 Kearny in Headquarters Troop of  
 Cavalry, Fortieth Division, came  
 home Saturday evening and went  
 back Sunday night, spending the in-  
 terval at his home, 127 W. Eulalia  
 street.

Herbert Collage is expected home  
 from Camp Kearny next Saturday.  
 He also is in the cavalry division.  
 Dwight Stephenson and Allen G.  
 Davenport came up from Camp  
 Kearny for the week-end and spent  
 Sunday with their respective fam-  
 ilies. Allen is an Ensign on U. S. S.  
 Marblehead; Dwight is in the Sanitary  
 Department of the 158th In-  
 fantry. They returned to camp to-  
 gether on the Sunday evening train.

**NOTICE OF POSTPONEMENT**

Owing to unavoidable circum-  
 stances, the Vegetarian Delicatessen  
 which was to have been held at  
 Chaffee's Grocery has been postponed  
 until further notice. Watch this  
 paper for announcement of the time  
 and place at which it will be given.  
 New recipes for Victory Flours and  
 Meatless dishes, will be given.

**TROPICO RED CROSS AUXILIARY**

The Tropico Red Cross Auxiliary  
 is having a speed-up month and mak-  
 ing a record for their organization.  
 Last Thursday evening there were  
 about fifteen in attendance at the  
 workroom and thirteen in the sur-  
 gical dressings department under  
 Mrs. William Harvey, Jr. Monday  
 afternoon as many more were on  
 hand for work and committee chair-  
 men, Mesdames Bacon, Tiffany and  
 Bancroft were busy folding gar-  
 ments which had been inspected and  
 were ready for shipment. There was  
 a goodly lot of them and they were  
 beautifully made.

The members of the surgical dress-  
 ings class are improving steadily in  
 their output both in numbers and  
 quality. Though there have been but  
 three meetings in the new depart-  
 ment, 400 compresses have been  
 manufactured which have been de-  
 livered to bundles and there will soon be  
 enough for a small shipment to the  
 Los Angeles Chapter. The ladies  
 working under Mrs. Harvey Monday  
 were, Mesdames:

A. O. Gallup,  
 C. H. Scheu,  
 S. E. Brown,  
 Ray Gallup,  
 Robert Sanders,  
 Hal Davenport,  
 Andrew Stephenson,  
 John Hobbs,  
 Burt Roberts,  
 Charles A. Barker,  
 Miss Gallup.

There is still room at the tables  
 for a few more members and as soon  
 as the Auxiliary is justified in doing  
 so, it will organize another class. At  
 present there are two meetings a  
 week, Monday afternoon and Thurs-  
 day evening.

**DAINTY AFTERNOON PROGRAM**

Instead of serving refreshments  
 at a chain knitting party Monday,  
 Mrs. Nanno Woods entertained her  
 guests with a novel and charming  
 program, provided by the hostess  
 herself and her two young and tal-  
 ented daughters. The first item was  
 of a military nature, being military  
 bugle calls played on the gramophone.  
 Two popular patriotic poems follow-  
 ed, "We Are Coming," and "A Call  
 from Camp," read by Mrs. Woods.  
 A beautiful butterfly in foaming tar-  
 latan then fluttered into view, pur-  
 sued by an admiring artist clad in  
 black velvet and white artist's  
 blouse; these proved to be Dorothy  
 and Kathleen Woods, who charmed  
 their audience with a delightful  
 dance, "The Artist and the Butter-  
 fly." Loud and prolonged applause  
 greeted these dainty dancers, who  
 reflect great credit upon their cap-  
 able teacher Miss Edith Lindsay.  
 Mrs. Woods then rendered two Irish  
 songs, "The Mountains of Mourne,"  
 and "The Dear Little Shamrock,"  
 many present who had never seen  
 Mrs. Woods in her costume recitals  
 were delightedly surprised with her  
 artistic presentations. Kathleen  
 Woods, in white ballet dress and  
 pink roses followed with a gleeful  
 dance, "The Happy Maiden," and  
 the hostess again contributed a light  
 Irish song, "The Low Back'd Car."  
 The guests were then asked to join  
 in singing "Keep the Home Fires  
 Burning," and the program finished  
 with a rendering by all present of  
 the following verse:

God save our splendid men,  
 Send them safe home again,  
 God save our men;  
 Keep them victorious,  
 Patient and chivalrous,  
 They are so dear to us,  
 God save our men.

**AN ENLARGED PRAYER MEET-  
 ING.**

The Baptist people are much  
 pleased over the largely increased  
 attendance and growing interest in  
 the weekly prayer meetings since in-  
 augurating the Bible study at the  
 close of the prayer and praise serv-  
 ice at 8:15 p. m.

Pastor Cowser is conducting the  
 study of the Epistle to the Philippi-  
 ans. The theme this Wednesday  
 night will be "A two-fold Exhorta-  
 tion," Phil. 1:27-30 and 2:1-4. All  
 lovers of the Bible and the public  
 generally are invited. The meeting  
 closes promptly at 8 p. m.

**DEMONSTRATION**

Tomorrow at Fifth and Brand,  
 the people of Glendale will have an  
 opportunity to see a sure-enough  
 non-spirit automobile demonstrated.  
 This car is the first front wheel drive  
 automobile ever built in America,  
 and the first in the world to win the  
 unstinted endorsement of the engi-  
 neering world. It is built by our  
 Los Angeles millionaire inventor,  
 Mr. Homer Laughlin Jr.,—the man  
 who erected the first fire-proof build-  
 ing in Los Angeles and the owner of  
 the beautiful Laughlin Park in  
 Hollywood.

The demonstration tomorrow will  
 be under the personal supervision of  
 Mr. A. Ellart Nelson, the resident  
 representative of the manufacturer  
 and will be held rain or shine. As 65  
 per cent of automobile accidents are  
 directly due to skidding cars, the run  
 tomorrow will be full of interest to  
 all who believe in the "Safety First"  
 idea.

**NO ASH WEDNESDAY SERVICE**

Owing to the illness of the rector  
 there will be no Ash Wednesday serv-  
 ice at St. Mark's Episcopal church  
 tomorrow.

**RED CROSS NOTES**

Knitted garments at Red Cross  
 headquarters were being made ready  
 for inspection by Miss Joclyn, who  
 volunteered to do that work for the  
 department, which does not want to  
 ship anything to headquarters which  
 has not passed the critical review  
 of a good knitter familiar with the  
 Red Cross requirements. Miss Joclyn  
 is from Minnesota and has been a  
 knitter all her life. She is also a Red  
 Cross enthusiast.

The knitting department is open  
 Mondays and Thursdays. On Mon-  
 day 120 hanks of yarn were given  
 out to knitters who applied for it.

Mrs. S. Mason, who has made a  
 great record as a knitter, making  
 two sweaters in one week has shown  
 symptoms of knitters' cramp and  
 her physician has ordered her to re-  
 lax her strenuous work along that  
 line. She is thinking of dropping the  
 knitting for a while and making  
 surgical dressings instead.

Mrs. Sadler was in charge of the  
 hospital garments department Tues-  
 day where five ladies were busy all  
 day. The department had 208 gar-  
 ments completed ready for ship-  
 ment which it was expected would  
 be made on Thursday. The ladies at  
 work were: Mrs. Cory, Mrs. Stanton,  
 Mrs. McPeet, Mrs. Fields and Mrs.  
 Seay.

Last week the Red Cross Shop on  
 Brand boulevard turned in receipts  
 totalling \$33.

The children who have been com-  
 ing to Red Cross headquarters to  
 knit on Wednesdays, under Mrs.  
 Moulton and Miss Moulton, are at  
 work on their sixth blanket. The  
 blankets that have been finished will  
 be shipped Thursday with other  
 knitted goods and will be tagged  
 with a request that they be used for  
 our own boys at the front who are  
 in Red Cross hospitals.

Mrs. Lawshe was instructor in the  
 surgical dressings department Tues-  
 day and the following ladies worked  
 under her: Mesdames A. A. Birch-  
 field, Edward Sawyer, W. C. Brad-  
 ley, L. B. Munn, Lee Carter, Mary  
 Chester, C. Farnham, R. M. Jack-  
 son, W. J. Masak, A. D. Switzer, W.  
 W. Kimball, E. W. Towle, C. V.  
 Horner, N. G. Musser, C. T. Wallace,  
 D. B. Pingree, I. A. Flint, Maude  
 Cunningham. Up to three o'clock  
 the class had cut and made up 400  
 4x8 compresses.

**"VICTORY" BREAD MUST CON-  
 TAIN NOT MORE THAN 80%  
 WHEAT FLOUR**

Any baker will be permitted to ad-  
 vertise his products as "victory"  
 bread if it contains not more than  
 80 per cent wheat flour. No stipula-  
 tion is made as to what ingredients  
 shall compose the other 20 per cent,  
 so long as they are selected from the  
 list recommended by the Food Ad-  
 ministration, which include corn  
 flour and corn meal, barley flour, oat  
 meal, rice and rice flour, potato flour,  
 etc.

Until March 3 rye flour may be  
 used in making victory bread. After  
 that date it will be placed on the  
 same basis as wheat, as rye flour is  
 now being shipped to the allies.  
 Bread made of graham or whole-  
 wheat flour may be termed victory  
 bread.

**THEATRICAL COMPANIES AT LIB-  
 ERTY THEATERS**

Musical comedies draw the heav-  
 iest crowds to the Liberty theatres  
 and entertainment tents at the camps  
 and cantonments. "Standing room  
 only" signs are needed whenever a  
 musical show appears.

The sale of smileage books—  
 packages of coupons good for admis-  
 sion to camp theatres and tents—  
 has been large throughout the coun-  
 try. The Commission on Training  
 Camp Activities, which is in charge  
 of the sale, has been hard pressed to  
 supply the demand.

**ONE WAY OUT OF IT**

George McMann attended a dance,  
 At this party were five charming  
 young women, among others, whom  
 he had escorted to club dances on  
 one occasion or another.

When he was ready to go home,  
 reports a friend, he was plunged into  
 yet greater uncertainty and embar-  
 rassment than that of the man who  
 can't pick out his own automobile  
 from among a lot of them.

"He couldn't remember which girl  
 he had brought to the party," reports  
 his friend. "And the only thing he  
 could do was to wait until all but  
 one had started home."

**STANDING PAT**

The young lady had been educated  
 at college and was giving an order  
 to the grocer.

"I require some cheese," she said.  
 "Yes, miss," replied the grocer,  
 smiling amiably. "I have some lovely  
 cheese."

"You should not save 'lovely  
 cheese,'" said the girl severely.  
 "'Lovely' should only be used to  
 qualify something that is alive."  
 The grocer's smile broadened as  
 he glanced at the Gargonzola. "Well,  
 then, miss," he said, "I'll stick to  
 lovely."

**Win by Saving**  
 Our war for Democracy can be won only by  
 the savings of our people. Not by what they have  
 saved in the past, but by what they will save now—  
 day by day.  
 One of our leading authorities on national  
 economies said recently:  
 "Anyone who buys a thing not needed wastes  
 that much of our nation's resources of materials  
 and labor, and contributes that much to the enemy's  
 success."  
 Therefore, buy only necessary things and save!  
 War-Savings Stamps and Thrift Stamps furnish the  
 ideal means for saving to win the war. Ask about  
 them.  
 At banks, postoffices, stores.

**THE CAT QUESTION**

This cry of conservation, waste,  
 efficiency, peace, victory, law, li-  
 cense, tax, etc., are all meaningless  
 words when it comes to our vast  
 army of cats.

The persons who ignore the ef-  
 ficiency of the rat, or mouse, or  
 gopher trap and just must have  
 cats and cats, need and should know  
 the looks of a two or three dollar  
 cat license for every cat they keep  
 and feed as they do a license on  
 any other menace or drainage on the  
 food supply.

Licensing cats will give them a  
 place, keep them from menacing  
 property but their owners, regulate  
 and protect them. "Without cats,  
 (some say) all would be forced to use  
 stilts in addition to the very short  
 skirts to evade the mice and rats.  
 Mothers would find their babies cold  
 and breathless, with faces gnawed  
 by rats and mice, just as the mother  
 birds find their cradles and their  
 young torn and mutilated by our  
 cats, or as we find many young brood  
 chickens killed by cats." Cats do  
 keep people awake nights. Cats, just  
 the commonest cats pelts brought as  
 much as eighty cents at the last big  
 fur auction. People having ring-  
 worms, diphtheria, tuberculosis,  
 contagious diseases, etc. just must  
 have cats and do not know cats do  
 carry germs, are covered with fleas,  
 and that cat hairs, are injurious to  
 bread, fruits, food, milk, babies or  
 children. The question at this war  
 winning time is, "How these people;  
 as in Sacramento keeping eleven un-

licensed dogs; as in Los Angeles  
 keeping from one to a dozen cats or  
 dogs, as in Greater Glendale keep-  
 ing and feeding 1, 2, 4, 6, 8, 10, 12,  
 14 cats—appear in the eyes of the  
 government today?" What are all  
 these unlicensed carnivorous ani-  
 mals reverting back to the commu-  
 nity to the government in compari-  
 son to the amount and value of food  
 they are consuming?  
**MRS. FLORENCE N. BLAIR.**

**MISSIONARY MEETING**

The Woman's Foreign Missionary  
 Society of the Methodist Church of  
 Tropico held a very interesting meet-  
 ing on Friday afternoon, February  
 8th, at the home of Mrs. L. Baker,  
 South Brand boulevard. A large at-  
 tendance was present to greet Dr.  
 Emma J. Betow of Sieuyu, China,  
 who gave a splendid address on her  
 personal experience as physician of  
 the missionary hospital at Sieuyu for  
 fourteen years.

After the address Mrs. T. J. Meagh-  
 er and Mrs. C. Gilmore favored the  
 society with a beautiful duet. Mrs.  
 Chas. Klamme gave two delightful  
 cornet solos, accompanied by Mrs.  
 Warren West. A social hour fol-  
 lowed in which delicious refresh-  
 ments were served.

A penny saved is a penny gained.

## MULTIGRAIN BREAD

### 24 Ounce Loaf 10c

The proper nourishment of every member of your family is YOUR first DUTY.

The proper introduction of Multigrain Bread to every one in Glendale is OUR important DUTY.

Give this wonderful new blend of BARLEY, RYE, OAT, GRAHAM and WHEAT flours one trial and if its superlative, nutty flavor does not convert you to an unhesitating, whole-hearted devotee of Multigrain, you'll be an exception to the rule.

### For Curiosity's Sake, TRY IT

After you TRY IT then for Goodness Sake you'll CONSTANTLY BUY IT.

While you are in the store visit the Heinz booth and sample the good things there, including Multigrain Bread.

United States Food Administration License No. G 29856

#### NEW THOUGHT CENTER

532 Masonic Temple, South Brand boulevard.

Last Sunday morning, Dr. Frank Riley spoke on the subject of "The Miracles of Jesus."

"Is the age of miracles past? I was taught that the miracles of Jesus were a special dispensation to teach the world the divinity of Christ. But Jesus told his followers 'These things shall ye do and greater things.' I believe Christ never intended the age of miracles to pass.

"What is a miracle—a thing to marvel at, but not a thing transcending the law. Our ignorance of the law makes it appear to be marvelous. An ignorant negro watched the manufacture of ice on a hot day, and exclaimed, 'Dat am more than the Lord could do.' A watch and springs would appear possessed of the devil to a savage.

"Miracles were performed up to the time of Constantine the Great, who claimed he was a Christian but was a pagan at heart. In his reign it became fashionable and popular to be Christians. When the Christians were persecuted, when there was much of sacrifice, there were miracles but later it became a following of the letter and the letter killeth.

"Now again, we find the spiritual reviving and men realizing that health of body should go hand in hand with health of spirit.

"It has been said by an eminent physician 'If all the medicine in the world were poured into the sea, 'twould be better for mankind but bad for the fishes.' A bit of colored water helps many people because they believe in it and want to be fooled—and if it costs \$2 so much the better. Another physician has said that in time medicine will be boiled down to surgery and diet and I believe that is true.

"Don't be fools! Don't be a slave to a drug! God is more powerful than a medicine. Nearly all our ill-health comes from not eating properly. Not that it is what you eat but how you eat. Your mental condition during the process of eating and digestion controls the salivary glands, those of the stomach and intestines. A tense condition makes a dry mouth—a speaker will tell you that. What happens when one turns pale? The blood supply form certain blood vessels is shut off. So a tense nervous condition will shut off the glands which furnish the digestive fluids. Then the food lies in the warm stomach, ferments and causes gas or produces poisons. Palpitation of the heart results and the sufferer thinks he is going to die. Or these improperly digested food products causing poisons clog the system producing uric acid, resulting in pains in the legs, violent headaches and a hundred other ills.

"Now a medicine may help you at times. Certain medicines like pepsin do have a chemical action on food or stimulate the secretions. But try solving your child's problems every night for a few months. What will be the result? He will be unable to do his work and so the stomach is unable to work.

"Eat slowly, exercise, breathe deeply, cast away all fear and tension and watch your improvement. Get on the frictionless way that Dr. Seton tells us of. It takes spiritual healing in many cases to remove the predisposing cause which is found in the mind.

"Sin is of two kinds, malice aforethought and error brought on through ignorance. Anxiety, fear, strain and hate cause disease. The cure is—'Rest in the Lord.'"

#### LAWESHE'S REPORT

(Continued from Page 1)  
now be made on a form of requisition furnished by the National Society. They are signed by the Vice Chairman.

The Chapter at this time has only a very few outstanding obligations to local business men. All bills presented have been paid. Our stated outstanding obligations are as set forth in the subjoined statements of cash assets and liabilities.

There can be no more earnest or energetic women anywhere than those who are actively identified with Red Cross in Glendale. As Vice-Chairman I have received loyal support from the Cashier, from every Committee Chairman and from every worker. I am proud to be associated with them, and happy in the knowledge that splendid work is being done.

I take pleasure in submitting herewith financial statements and balance sheets for the period July 28th to December 31, 1917, and from January 1, to 31, 1918.

Respectfully submitted,

A. L. LAWESHE,  
Vice-Chairman.

#### CLANDESTINE CIRCULAR ISSUED IN GERMANY ATTACKS RULERS

A copy of a broadside forbidden in Germany has reached the Committee on Public Information. It is a single sheet of foolscap size, printed on both sides, and bears a coarsely executed woodcut representing a soldier in arms, a workman in a blouse, and a woman shoving a rock off a precipice, beneath which is seen the head and bust of the Emperor, crowned and sceptered and moustached, looking up in terror at the fate impending. The last paragraph of the text is as follows: "Man of toil, awake from slumber! Recognize thy growing might. All the wheels will lose their motion Without thy strong arm's devotion. Down with the war! Down with the Government! Peace! Freedom! Bread!"

The first principle of money-making is money-saving. Buy War-Savings and Thrift Stamps.

#### CHAIRMAN CONFERS

(Continued from Page One)  
ty of the Adventist church. These societies have an average attendance of 25 workers.

Then there are organizations which are working for the chapter outside the headquarters, viz. The Ladies Aid of the Christian Church which gives three days per month in their own bungalow and three small groups which work one day per week as follows: At home of Mrs. Ben Nichols, six neighbors known as East Side Red Cross Unit 1; at the home of Mrs. Holland on Arden avenue, ten neighbors, and a group at the home of Mrs. Gray on North Maryland. Others to the number of fifteen who are not able to come to headquarters are working at their homes. Most of these have finished one garment per week.

The department has seven sewing machines two of which are obsolete and it badly needs more, particularly on Wednesdays. One motor is permanently installed, three portable ones are loaned subject to the owners' needs. These have been loaned by Mrs. Ezra Parker, Mrs. Betz, Mrs. Harry Lockwood, and Mrs. Charles Burket and are a great help in turning out work in quantity.

The cutting committee under Mrs. Jeannette Smith works valiantly Monday and Tuesday nights, and the donation of the cutting of 42 dozen pajamas by the Calnevar Shirt Company of Los Angeles made 27 extra hours' work for the sorting committee consisting of Mrs. S. A. Cook and Mrs. Ragan.

Two new departments have become a part of the Hospital Garments section lately. The Junior Red Cross of the Intermediate School has undertaken to make two dozen hospital garments through the section. Miss Wooldridge having charge. Also a committee working Fridays under Miss Griffith is making leather lined waistcoats for aviators. These are cleverly made of waste leather cleaned by a local firm and applied onto linings. The pattern was supplied by Mrs. Smith, chairman of the Cutting Committee and worked out by Miss Griffith. One of these coats has just been loaned to an officer of the Los Angeles Chapter to be exhibited as a sample garment.

The chairman has recently acquired as assistant in Mrs. Sadler who has charge of the workroom Mondays and helps splendidly at all times. Mrs. Field also carries much of the responsibility. Plenty of materials on hand and very loyal help make the work of this department most interesting.

Mrs. E. M. Tuft, chairman of the surgical dressings committee presented the following report:

The lady soldiers of Glendale have responded nobly to the call for help in preparing surgical dressings, which mean so much for health and comfort of our brave men at the front, however there are accommodations in the new work-room at headquarters for twice the number who are working at present.

The work room is open every day from 10 a. m. to 4:30 p. m. except Saturday and Sunday. If you can come even for an hour or two, the number of dressings made in that period would materially aid in filling a case of dressings which contains 6000 8x4 dressings. As soon as the case of 8x4's is filled, pneumonia jackets will be the specialty until a case of them is ready for shipment.

The beautiful work done by the High School classes is proof of what a few moments each day by many hands can accomplish. The seventh and eighth grades also are planning to help in making the five varieties of external dressings.

Come over and do your "bit" in this department. We have 10,000 yards of gauze and need every hour of your time that you can spare. Regular and assistant instructors:

Monday—Mrs. Lawshe, Mrs. Birchfield.

Tuesday—Miss Taggart, Mrs. E. W. Towle.

Wednesday—Mrs. Cleveland, Mrs. Bullard.

Thursday—Mrs. Edgar Pack, Mrs. Cleveland.

Fridays—Mrs. Wilbur Boothby, Mrs. S. C. Pack.

Respectfully submitted.

Mrs. H. E. Bartlett, chairman of the purchasing committee gave a report which in substance is given in Manager Lawshe's statement.

On recommendation of those at the head of the nurse's training classes it was voted that hereafter those making application to take the nurse's course be required to pay \$5 for the course.

Supt. Richardson D. White gave a very exhaustive report as to the plan upon which the Junior Red Cross in the public schools will work. His re-

port will appear in full in these columns.

Mrs. A. S. Chase, chairman of packing and shipping reported that a large shipment is now ready and at the suggestion of those having the Thursday evening entertainment in charge it was decided to hold the shipment until Friday that the visitors Thursday evening may have an opportunity to inspect the finished articles. Arrangements have been made to have the manual training classes of the public schools make the cases for shipping, the material to be furnished by the Red Cross.

Mrs. H. E. Betz, chairman of the Ambulance Pillow committee reported that the school children had been doing most of the work in her department, and that there is now ready for shipment a large number of pillows.

Mr. Lawshe who since January 1 has had charge of the business management of the local chapter has spent from eight to ten hours every day without pay looking after the interests of this organization. He is an expert accountant, a gentleman of superior executive ability and considers it his patriotic duty to serve in this way. He was given a hearty vote of thanks as an appreciation of the valuable work he is doing for the Chapter. Mr. Colson was kindly mentioned as being the man who made the pole and its attachments for the Red Cross flag without any charge.

Many others have kindly contributed work and money toward the support of the Glendale chapter which is one of the best organized in California.

The meeting lasted until a late hour and was one of the most enthusiastic yet held by the Board.

Based on the specimens we've seen most self-made men spent a good deal of time building their talking apparatus.

#### NOTICE OF PUBLIC WORK

Public notice is hereby given that the Board of Trustees of the City of Glendale, on the 31st day of January, 1918, did at its meeting on said day adopt a Resolution of Intention No. 982, to order the following improvement to be made to-wit:

That the Public necessity and convenience require and it is the intention of the Board of Trustees of the City of Glendale, to close up, vacate and abandon for street and highway purposes, all that certain portion of Colorado Street (formerly Sixth Street) in the City of Glendale, described as follows, to-wit:

All that portion of Colorado Street (formerly Sixth Street) lying South of a line drawn parallel with and sixty (60) feet Southerly from, measured at right angles to the northerly line of Lot "A" of Tract Number 1178, as per map recorded in Book 18, page 23 of Maps, Records of Los Angeles County, California and lying between the Southerly prolongation of the Westerly line of Lot 4 of said Tract No. 1178 and the Westerly line of Verdugo Road.

The district to be assessed to pay the damages, cost and expenses for the above described improvement is described in and reference is hereby made to said Resolution of Intention No. 982, for further particulars of said work.

T. W. WATSON,  
City Manager, Ex-Officio Street Superintendent of the City of Glendale.
